CONFERENCE ITEMS / ITEM OF DISCUSSION

Larry Cardwell Director Economic Development

1) Items for Discussion

Liquor license that was in pocket set at 7941 South Crescent Blvd unit B. By way of explanation of the client's intent for operations at the location please see the following: The subject license is a "33" or "consumption" license good for operating a bar/restaurant normally. However, "33" licenses are also allowed to sell and display for sale carryout for consumption off the premises similar to a liquor store. Such display for off-premises consumption may be on all perimeter walls and behind the bar. The rules require that in such circumstance a very small bar is required. The client intends to install a very small bar as required with limited offerings (the intent is to minimize bar sales and focus on sales for off premise consumption).

- Committee agreed to work with client in locating a more suitable location for their proposed business.
